

CIRCUS INCUBATOR
A EuropeS AmericaS strategy for young artists

CALL FOR APPLICATIONS
CONTEMPORARY CIRCUS ARTISTS
Applications by January 29th 2016

*Research workshop and transmission path between young artists and professionals.
For artists under 30 years old that are in an individual or collective research phase (but not yet in creation)
with the aim to develop a contemporary circus project (act or show).*

PROJECT

CIRCUS INCUBATOR is a new european project gathering 7 organizations in Europe and in America. The aim of this project is to experiment a new model of international incubator for young circus artists who would like to develop their projects in an artistic and entrepreneurial approach. This project is also the opportunity to create a dialogue between young artists and programmers and professionals that are interested in accompanying young artists in their careers' development.

Objectives of the project :

- Making young artists aware of the necessity to internationalize their career and capitalize this experience
- Raising the awareness of the professionals in charge of dissemination, to accompany young circus artists
- Promoting the use of online collaborative tools by the participants
- Promoting a hybridization of the American and European models of accompaniment and of funds raising

With this call for applications, Circus Incubator starts his first project incubator that will take place in Helsinki and Montréal in 2016. A research workshop dedicated to young artists will be then developed through a crosscutting workshop focused on an artist/professional dialogue.
